Every Man's Fantasy

JESSE JANE

When it comes to adult stars, Jesse Jane is clearly at the pinnacle of her success and fame. After a brief career in modeling and commercials, Jesse decided to pursue her dream of becoming a sex icon and quickly snared a contract with Digital Playground. She simply exudes sexuality with her sensual, pouty lips, and sizzling sensuality, not to mention those hypnotic green eyes. Over the years Jane has had worldwide exposure through hundreds of magazine covers, television and radio appearances, a wide variety of music videos, and roles in several major box office films. Her lively personality and ability to entertain earned her the honor of hosting some of the top television shows on Playboy TV as well as hosting duties for the AVN awards. Her many talents and achievements have brought her incredible success - so much so that Jesse Jane has become a household name. Watch for her latest release, Teachers, which will be released September 22nd. We'd like to thank Jesse Jane and Adella of Digital Playground for making this interview possible.

UC: Where did you grow up? Can you tell us a little about your background/childhood?

JJ: I grew up all over the south and Midwest. I was born in Ft. Worth, TX but we moved around a lot because my dad was in the military. I was a bit of a tomboy and loved playing sports, and was also a varsity cheerleader.

UC: What type of work did you do prior to entering the adult business?

JJ: I started out with Hooters, but after becoming a top finalist in a Hawaiian Tropic model search contest I became a bikini model for them, doing print ads and commercials.

UC: When and how did you get into the business?

JJ: I got into the business six and a half years ago. I'd always been a porn fan, so after checking around online I contacted Digital Playground and sent them some pictures. They got

in touch with me right away and said they wanted to fly me out to Los Angeles to meet with them. Obviously, we had a great meeting and luckily, I was signed to a contract!

UC: Is your career as an adult performer what you expected it would be?

JJ: It is way more than what I ever expected! I've had the opportunity to do so many wonderful things. Sometimes I still sit back and think, "Wow, look at all of the incredible experiences I've had through my work with Digital Playground!" In addition to making great movies I've been able to see the world. It's also still crazy to me that so many people know who I am!

UC: Do you feel your

career choice has affected your personal relationships either positively or negatively?

JJ: At this point in my career, I would say positively, since the people in my life are my real friends. Everyone knows that I can take care of myself, and they respect me for that and know that I love this business.

UC: What are your latest major projects?

JJ: My latest film, *Teachers*, will be released September 22nd, and we're also about to shoot a really big movie over the next few weeks. Unfortunately, I can't tell you about that one yet! I also have been very busy finalizing some new online projects.

UC: Do you prefer any certain type of sex scenes? Any types of scenes you will not engage in?

JJ: I like fun, crazy scenes, and basically just love having good, hot sex. I don't do gang bangs and will not appear in scenes that portray me as a victim.

UC: What do you most enjoy about your work?

JJ: I love having great sex and traveling the world! I also enjoy having the opportunity to meet so many people, and hope that I've helped a lot of women improve their own personal sex lives.

UC: Have you received any special awards as of yet?

JJ: Yes, I've been honored to win awards for Best Actress a few times as well as for Best Girl/Girl Scene, Best All Girl scene, and many others. I was also pleased to win the title of Best Feature Dancer, as dancing is another one of my passions.

The Jesse Jane File:

Birthday: July 16th
Height: 5' 3"
Weight: 105 lbs.
Measurements: 34D-23-32
Years in adult business: 6½ years

UC: Do you have any favorite performers that you most like to work with?

JJ: Of course...I love performing with Scott Nails, Evan Stone, Manuel Ferrara, and Riley Steele, just to name a few of my favorites!

UC: How about favorite directors?

JJ: I have to say that I just love working with Robby D. (he's amazing!) and also Joone.

UC: Have you ever worked behind the camera or do you have plans to do so?

JJ: I had hoped to do so by now, but I've been so busy working on so many other things that I still haven't had time to give that a try. I still hope to do so at some point in the future.

UC: Do you have an address for fan mail?

JJ: Yes, my fans are welcome to get in touch by writing me - Jesse Jane, c/o Digital Playground, 21115 Devonshire #301, Chatsworth, CA 91311. Of course, they can also look for me online.

UC: Do you make personal appearances so you can meet your fans?

JJ: Yes, most of my job is actually making personal appearances. I do store signings, conventions, and I dance all over the place so that I can meet my fans.

UC: Do you have any special plans or appearances coming up that you'd like to tell our readers about?

JJ: I'll be doing a U.S. promo tour for our upcoming movie *Teachers*, and then I'm scheduled to be in Australia October 26th to November 2nd. In December I'll be traveling to Europe!

UC: How do you think your friends would describe you?

JJ: They would say that I'm a dork because I'll do anything to make people laugh! I get bored easily so I always need to be doing something.

UC: How do you like to relax when you're not working, i.e., hobbies, interests, etc.?

JJ: I love to indulge myself at the spa, and also enjoy going to the movies, shopping, walking and just hanging out with my friends.

UC: Is there anything else you'd like to add to this interview?

JJ: I love *Undercover* magazine and I love all my fans! Be sure to pick up my new movie, *Teachers*, and come out to meet me when I'm in your town!
XOXO

UC

Photos: Digital Playground

DIGITAL PLAYGROUND'S DYNAMITE DIRECTOR ROBBY D.

Robby D., critically acclaimed adult film director for Digital Playground, is a well-known name among porn aficionados for his high-quality, best-selling films that have helped make the company an industry leader. He is known for feature films as well as several ongoing series, including Hard Candy, Control, Jack's Playground and Deeper. Continuing the tradition, Robby D.'s next big budget film, Teachers, is set for release September 22nd. In an August 21st press release, the company stated, "The buzz surrounding Digital Playground's movie Teachers is reaching staggering heights as the trailer received over 200,000 downloads in its first week online." In the same release, Paul Fishbein, President of AVN Media says in part, "The Teachers trailer exceeded my expectations and is a perfect example of what our industry needs to continue to create in order to lead consumers back to the stores and away from the tube sites." Under the skillful direction of Robby D., the film stars Digital Playground's exclusive contract girls Jesse Jane, Riley Steele, Stoya, and Katsuni, as well as Jenna Haze and Lisa Ann. In light of the unprecedented anticipation on the part of retailers and consumers, it's destined to be another huge hit for Robby D. and the company. We'd like to thank Robby D. and Adella of Digital Playground for making this interview possible.

UC: How did you first get involved in the adult business?

RD: I was going to my local video store every Tuesday for the new releases and I was kind of bored with what I saw. I was shooting extreme sports stuff, fighting, surfing, and one day I turned the camera on my girlfriend. I contacted a few adult companies and Henri Pachard actually took my call and then took the time to check out my work. He liked what he saw and gave me a budget. Within a few months a major studio approached me. I jumped ship after a couple of years to team up with Joone. I've been with Digital Playground for eight years now and I love their philosophies and creative approach to filmmaking.

UC: What misconceptions do people typically have about you and/or your work?

RD: They think it's just one big party and it's not - it's a lot of work. They think I am banging girls every day for a living and I'm not.

UC: What do you most enjoy about directing?

RD: I love the opportunity to create - I like working with people, telling a story, seeing people get it and react with enthusiasm to the story I'm telling.

UC: Do you enjoy specializing in one genre or do you prefer variety in the types of films you work on?

RD: I prefer a variety - I specialize in specializing. I think being well-rounded has made me a better director on all levels and in all genres.

UC: What are the key factors in making an adult film successful?

RD: I believe that casting is the key - you have to have the right girl and the right guy and they have to have chemistry with each other.

UC: How do you feel about films with more "gonzo" than storyline? Do you feel that adult films need to have more of a plot than they typically have?

RD: I think adult films should have both - have everything; we should have gonzos and stories and then let the consumer choose what he or she wants.

UC: If you had no limitations on budget, location, cast, etc, describe your "dream film."

RD: I don't have one yet, I'm still looking for it - Pirates - but someone already did it.

UC: Do you think it's important for actors to wear condoms in adult films?

RD: It's important for people to feel safe and comfortable in their work environment.

UC: Do you try to convey a message to your audience through your films?

RD: Yes, of course - that's the allure of filmmaking.

UC: Other than obvious

technological advances, do you think today's porn differs much from the porn of yesteryear?

RD: I think most of the changes are because of technological advances, such as the Internet and other media.

UC: What direction do you think the industry will take in the next five years? Do you foresee any major changes?

RD: No, I don't really see any big changes coming.

UC: Have you won any awards thus far?

RD: I've been honored that my movies have won a boatload of awards. Personally I have received: 2006 Best Director (Orgazmik), 2008 Best International Director (Venus Award Show), 2006 Best Director (Rog Reviews), 2004 Best American Director (Venus Award Show), 2007 Best Director (Nightmoves), and 2006 Best Director (DVD Talk).

UC: Any other details you'd like to share?

RD: Just my thanks to everyone for buying my movies. **UC**
