Shining Star

SARA SLOANE

Photos: Zero Tolerance Entertainment

Zero Tolerance Entertainment recently announced the signing of a new contract star, Sara Sloane, who previously performed under the name Sarah Vandella and has been described as “one of the adult industry’s most sexually dynamic performers.” “We couldn’t be happier,” said Zero Tolerance president Greg Alves. “Not only is Sara beautiful, but she’s one of the most intense performers our industry has seen in years. She really personifies what we’re all about: she’s beautiful, fan friendly and horny as hell. She’s the perfect representative.” The signing is not only a dream come true for her, it’s a major career step for this striking blonde. Sloane stated that it’s always been her goal to perform her heart out, become a contract star and become one of the most popular performers of all time. The company is currently in pre-production on a new Sloane vehicle, which it promises will showcase the starlet’s considerable sexual prowess. We’d like to thank Ms. Sloane and Zero Tolerance Entertainment for making this interview possible.

UC: Where did you grow up? Can you tell us a little about your background/childhood?

SS: I was born and raised in Long Island, NY. My parents, who are still married, provided my brother and me with amazing experiences such as family vacations, music classes, and unconditional love and support while never failing to share their life lessons with us. They always encouraged us to do the right thing. We were taught to treat people with respect and always give someone the benefit of the doubt. We were also taught not to judge people by the color of their skin or what they looked like. I can honestly say that my parents are my best friends.

UC: What type of work did you do prior to entering the adult business?

SS: I worked at various retail stores while studying at a local junior college. Being adventurous and curious by nature, I made the decision to pursue unorthodox avenues, such as stocking shelves at a local Long Island adult shop (The Pleasure Palace) and dancing. I

was self-conscious as an adolescent; however, as I got older I blossomed into a bi-curious sexual freak. It was liberating to be able to explore my fantasies without self-judgment.

UC: When and how did you get into the business?

SS: As I became aware of my sexuality I realized I could capitalize on my “gifts.” After dancing a couple of years and legally working in a high class southern Nevada brothel, I met a beautiful porn star who shared the same love for sex as I did. She was amazing and prepared me by answering all of my questions about the industry. She invited me on a casual road trip to Los Angeles, where I accompanied her on the set of a movie she was shooting. I was careful not to rush into the business but after visiting the set that day – it became clear to me that this was what I was destined to do with my life.

UC: Is your career as an adult performer what you expected it would be?

SS: It has slowly become a dream come true. I'm excited, honored and grateful to be a part of Zero Tolerance. The fact that they appreciate and want me is an unbelievable feeling. I can't wait to learn and grow as a performer from this opportunity. I remember when I worked at the adult shop stocking shelves; I would look at the Zero Tolerance boxes and be in awe of the girls, the business – really everything. Now, I'm that girl on the box cover and it's simply mind-blowing. I am just so happy and thrilled to be the new girl on the block.

UC: Do you feel your career choice has affected your personal relationships either positively or negatively?

SS: I knew that sacrifices had to be made when I began my journey into the adult industry. I made it easy on myself by being open and following my desires without judgment. I truly believe that things happen for a reason. While that reason might not be apparent right away, if we're lucky we see it. I made the decision to become a performer and the fact that I was approached by Zero Tolerance made every step worthwhile. I consider myself blessed.

UC: What are your latest major projects?

SS: There are a number of them: *Girlvana 5*, *Blow Me Sandwich 14*, *Chain Gang 2* and *Strip Tease Then Fuck 12* for Zero Tolerance. I've also done *Big Boob Orgy 2*, *Kagney Linn Karter – Superhero Sex Therapist* & *ASStounding* for 3rd Degree Films.

UC: Do you prefer any certain type of sex scenes? Any types of scenes you will not engage in?

SS: I love BGG (Boy-Girl-Girl) because I love to eat pussy! If I can get an amazing banging while doing so, sign me up!! I also love interracial sex - to me it's a hot fantasy and I love pushing my threshold with extra large penises. I am pretty much down for anything as long as it's safe and legal. I'm also eager to have a DP and perform in a gang bang and bukake.

UC: What do you most enjoy about your work?

SS: I love having the freedom to be sexually unapologetic while pushing the envelope.

UC: Have you received any special awards as of yet?

SS: Not yet, but I was nominated last winter for best deep throat at the XRCO awards.

UC: Do you have any favorite performers that you most like to work with?

SS: Absolutely – I love working with Phoenix Marie, Anthony Rasano, Mr. Pete, Tori Black, and of course... Courtney Cummmz!

UC: How about favorite directors?

SS: That would definitely have to be Mike Quasar and Nate Liquor.

UC: Have you ever worked behind the camera or do you have plans to do so?

SS: I haven't yet worked behind the camera but would love to eventually. I am just having too much fun in front of the camera for now!!

UC: Do you have an address for fan mail?

SS: My fans are invited to follow me on Twitter: @xxxSaraSloane

UC: Do you make personal appearances so you can meet your fans?

SS: Absolutely - I love meeting my fans! I was a fan - and still am - so I know what it feels like to meet one's favorite performers. My fans provide me with support and kind words which further inspire my drive to please.

UC: Do you have any special plans or appearances coming up that you'd like to tell our readers about?

SS: Yes - the 2010 AVN Awards this January. I will be waiting for you – so, please come to see me!!!

UC: How do you think your friends would describe you?

SS: I'm pretty sure they'd say that I'm real, approachable, and a total fucking goofball!

UC: How do you like to relax when you're not working, i.e., hobbies, interests, etc.?

SS: I am a huge classic rock fan and some of my favorites are Rush, Led Zeppelin, Terry Reid, and Crosby, Stills & Nash. I grew up playing the guitar, which was inspired by my mother who would play Joni Mitchell and James Taylor songs for me. I also love to travel, watch old movies and talk to friends on the phone.

UC: Is there anything else you'd like to add to this interview?

SS: Just that I'm so thankful to all my fans that have supported me. This is only the beginning!! xoxoxo
